

# **ITESOFT.Share awarded Storage Product of the Year two years consecutively**

**For the second year running ITESOFT.Share has been chosen as “Storage Product of the Year” by the industry reference magazine Document Manager.**

ITESOFT, leading developer of electronic document capture and automatic processing solutions, won in the “Storage Product of the Year” category at the prestigious Document Manager Awards 2009 held on 22<sup>nd</sup> October. This award recognises ITESOFT.Share as the winning product of the year in this field. ITESOFT.Share has been recognised two years consecutively for this award.

The award is attributed to companies who are at the forefront of innovation in the document management sector and demonstrates the industry’s recognition of product quality.

ITESOFT.Share is a fully web based document management storage/retrieval and work flow solution that enables captured documents to be easily accessible to an organisation’s work force. The work flow engine automates the business processes associated with these documents. ITESOFT.Share is designed to work with ITESOFT’s document capture solutions for invoices, orders and business forms, and integrates seamlessly with ERP, HR, Finance and CRM solutions for image or document retrieval. Key recent innovations and drivers for a second consecutive award include integration with Personal Digital Assistances and i-phones. Remote workers can easily access and approve invoices from their hand held devices.

Business benefits derived from ITESOFT.Share are reduced administrative and storage costs, improved event traceability and document security, and automation of complex business processes.

DM Editor Dave Tyler commented: “Yet again we have been delighted by the response from the industry and from our readership to the opportunities presented by the DM Awards. The introduction of our judging panel brings us an added authority and integrity that makes this truly the defining event of the year for our industry.”

ITESOFT.Share has already been chosen by numerous industrial companies, major distributors and service companies to automate their workflow process. Among these companies are leaders such as AAH Pharmaceuticals, Oxfordshire and Buckinghamshire Mental Health NHS Foundation Trust, Northern Rail, South London & Maudsley NHS Foundation Trust, Crest Nicholson, Harvey Nichols, British Waterways, Naafi and many more.
